EASY-TO-USE WAVE SERGER

FOR THE LOVE OF SEWING

Introducing the Imagine Wave™ Serger from Baby Lock

How can Baby Lock improve on the Imagine, the best-selling and easiest-to-use serger in the line? By introducing the Baby Lock Imagine Wave with exclusive stitch options. It has the convenience and innovation you would expect from a Baby Lock along with a one-of-a-kind wave stitch that expands your decorative stitch selections. Because it's an Imagine, the revolutionary Jet-Air Threading™ has you serging in a breeze while the Automatic Thread Delivery System and differential feed remind you why you love to serge on a Baby Lock Serger.

For the love of sewing.

EASY-TO-USE WAVE SERGER

Instant Jet-Air Threading™: One touch of a lever "Jet-Airs" thread through the tubular upper and lower loopers. By far, Baby Lock delivers the easiest serger to thread today.

Automatic Thread Delivery System: Set the Imagine Wave to the type of stitch you want and serge. The Imagine Wave will deliver a balanced stitch on any fabric with any type of thread. It even goes from one fabric type to another without skipping.

Needle Threader: Needle threading is quick and easy. A touch of a lever automatically threads the eye of each needle.

Tubular Looper: Imagine no exposed thread and no thread guides. The Baby Lock Imagine Wave allows you to thread in any order.

Exclusive Wave Stitch: The patented Wave stitch opens your world to more decorative stitches for more creativity. Try different thread colors and stitch widths to easily serge a one-of-a-kind creation.
