

Buttonhole Embellishments

While buttonholes are normally used for fastening buttons, you can use them to make interesting decorations by threading different types of cording through the holes.

Machine Settings:

All buttonhole patterns

Examples of cording:

- Ribbon
- Lace
- Leather strips
- Scarf
- Strings of beads or sequins
- Strips of torn fabric

Ideas:

- ✧ Buttonholes can be used to hang cording such as ribbons or wool.
- ✧ This technique can also be used to decorate hats or bags.
